

10. Fair Use Policy

- 10.1 Atlas Communications (NI) Ltd do not cap beyond customers who are making heavy and constant use of the service on a basis that may affect other users of the service and including (but not limited to) the following:
- 10.2 Unlawful, fraudulent, criminal or otherwise illegal activities.
- 10.3 Sending, receiving, publishing, posting, distributing, disseminating, encouraging the receipt of, uploading, downloading, recording, reviewing, streaming or using any material which is offensive, abusive, defamatory, indecent, obscene, unlawful, harassing or menacing or a breach of the copyright, trademark, intellectual property, confidence, privacy or any other rights of any person.
- 10.4 Sending or uploading unsolicited emails, advertising or promotional materials or chain letters.
- 10.5 Knowingly or negligently transmitting or uploading any electronic material (including, without limit, files that contain viruses, corrupted files, or any other similar software or programmes) which is known or likely to cause, interrupt, damage, destroy or limit the functionality of any computer software, hardware or telecommunications equipment owned by Atlas or any other Internet user or person.
- 10.6 Activities that invade another's privacy, cause annoyance, inconvenience or needless anxiety to any person.
- 10.7 Activities that are in breach of any other third party's rights, including downloading, installation or distribution of pirated software or other inappropriately licensed software, deletion of any author attributions, legal notices or proprietary designations or labels in any file that is uploaded, falsification of the origin or source of any software or other material.
- 10.8 Anything that may disrupt or interfere with Atlas network or services or cause a host or the network to crash.
- 10.9 Launching "denial of service" attacks; "mailbombing" attacks; or "flooding" attacks against a host or network.
- 10.10 Granting access to your broadband services to others not residing at or located at the premises at which these Internet services are provided.
- 10.11 Making excessive use of, or placing unusual burdens on, the network, for example by sending or receiving large volumes of email or excessively large email attachments.
- 10.12 Circumventing the user authentication or security process of a host or network.
- 10.13 Creating, transmitting, storing or publishing any virus, Trojan, corrupting programme or corrupted data.
- 10.14 Collecting, streaming, distributing or accessing any material that you know, or reasonably should know, cannot be legally collected, streamed, distributed or accessed.
- 10.15 Our fair usage policy identifies the small number of heavy users (80GB per month and above) and we reserve the right to manage their bandwidth to protect the service for our other Arc customers.
- 10.16 There is no arbitrary capping without warning beforehand. This will be provided in writing.
